React: JSX

React – Boxes

The following exercise contains the following subjects:

◆ react components

Instructions

We want to create 4 components: Box1, Box2, Box3 and Box4.

Box1 is the big green box.
Box 2 is the blue box.

Box 3 is the pink box.

Box4 is the smallest purple box – we use it twice.

Note that the boxes contain one another.

Box 1 contains Box2.

Box 2 contains Box3.

Box 3 two Box4 components.

Submit the file to Hive.
